ORDER

December 14, 2018

The Court has received a request for clarification of our November 16, 2018, Order granting, in part, Defendants’ Motion for an Extension of Time. Although Plaintiffs are correct that we used the term “answer” rather than “respond,” we certainly did not intend to foreclose Defendants’ ability to file an appropriate motion to dismiss. We would, of course, caution Defendants against revisiting issues we already decided; however, we accept Defendants’ representation that they anticipate raising novel issues.
